So much to see, so much to do ...

The Bulkley Valley Exhibition hosts a 4-day whirl of shows, events, competitions and displays, with enough action to captivate the whole family! Here's just a few of the attractions in the 2018 Fall Fair ...

Livestock show

Always at the heart of the show, the BV Exhibition is one of the few remaining fairs in BC that still offers a full slate of livestock classes—including beef cattle, dairy, sheep, swine, poultry, rabbits and even guinea pigs!

4H Achievement

This year, over 130 4H kids will bring their project to the Fall Fair—steers, sheep, hogs, rabbits, poultry, horses, even dogs! ...

It's a learn to do by doing experience for all involved!

oops ...

Hall Display

Country crafts have been a huge part of the Fall Fair since its beginning. Farm families have always been known for jams, jellies and Grandma's cookies—these days we've also got flowers and fruits, baking and canning, art and photography and all kinds of amazing kids' crafts!

Music on the Main Stage

Our live entertainment throughout the weekend is one of the most anticipated parts of the Fair! Kicking off the weekend on Thursday night are some of our best local youth performers. Country night on Friday is always a blast, and don't miss our Homegrown Heroes on Saturday night!

Antique Tractor Show

These ol' workhorses have got more years and more working hours under their belts than most fair-goers. Don't miss the Slow Tractor Race—winner is whoever comes last without actually stopping!

Fall Fair Parade

Kick off the 2018 Fall Fair in style! Spectators line the streets as dozens of businesses, organizations, youth groups and antique vehicles dress up in their decorated finest to parade around the town.
