

ATTENTION JUNIOR MEMBERS:

Would you like to attend the National Canadian Angus Convention in Drumheller, AB June 6-9, 2019?

You would travel to Alberta with the President of the BC Angus Association to experience three days of Angus industry development, watch the Canadian Junior Angus Ambassador competition, and have the opportunity to network with Angus breeders from across the country.

The Canadian Angus Foundation offers travel bursaries to young people who may want to attend this type of event, and the BCAA is encouraging all Juniors to apply. The successful applicant will be chosen by the CAF Board.

What you will need:

1. Cover sheet with name, contact information, CAA ID number and the event you wish to attend.
2. Résumé to include but not limited to Angus involvement, work history, community activities, school involvement (if applicable) and leadership activities.
3. 250 word essay explaining why you wish to attend the event and what you hope to gain from attending.
4. Provide a budget for the event including expected travel, registration fees, and other expenses you may incur.

We ask that all Juniors wishing to attend, send their applications to the Canadian Angus Foundation Executive Director, Belinda Wagner at bwagner@cdnangus.ca by **April 30, 2019**.
